

**BYU WOMEN’S CONFERENCE
LICENSE AGREEMENT**

This **BYU Women’s Conference License Agreement** is entered into as of [DATE], by and between [NAME], an individual (the “Author”), and Brigham Young University, a Utah nonprofit corporation (“BYU”).

BYU is seeking submissions of original music (composition and/or lyrics) (the “Submission”) for use in the 2021 BYU Women’s Conference (“BYUWC”). The Author is making a Submission for consideration for use in BYUWC. If the Author’s Submission is selected for BYUWC, the parties hereby agree as follows:

LICENSE. As between the Author and BYU, the Author retains all copyright interest in, and ownership of, the Submission. The Author hereby irrevocably grants and assigns BYU and its affiliates, including The Church of Jesus Christ of Latter-day Saints and Deseret Management Corp., a non-exclusive, worldwide, perpetual, and royalty-free license to use, record, reproduce, modify, adapt, translate, create derivative works from, publish, distribute, perform, and display the Submission in any form of media and/or technology now known or to be developed, without limitation or restriction. If the Submission is recorded by BYU, then BYU will own the copyright to said recording and it may not be used by the Author without the express written consent of BYU.

REPRESENTATIONS AND WARRANTIES. By entering into this Agreement, the Author hereby represents and warrants to BYU: (1) the Author is at least 18 years old, and has the right to grant BYU the rights and licenses set forth herein; (2) the Submission is original to the Author, and the Author is the sole owner of the Submission, or the Author has secured the necessary permissions to grant the rights and licenses herein; (3) the Submission, and the rights and licenses granted herein, do not violate any other person’s copyrights or other rights; (4) the Author will not sell, license, or otherwise use the Submission in any way that would impair or restrict BYU from fully exercising the rights granted herein; and (5) that Author understands decisions of BYU regarding the Submission are final.

BYU is not obliged to make any use of the Submission or exercise any of the rights granted herein. The Author acknowledges and represents that the Author has read and understood the meaning of this Agreement, and that this Agreement is the entire agreement between the Author and BYU regarding the Submission and supersedes all other agreements regarding such rights.
